

EXP Con 2018 Artist Alley Agreement

The EXP Con Artist Alley is a place where amateur artists can purchase a table to show off their artistic talent and sell their work. This presents the opportunity to not only make money, but experience the rush of having someone purchase something you created yourself. EXP Conventions Inc. strives to put our Artist Alley occupants in a situation to succeed by setting them up in areas of high attendee traffic as well as keeping the table price low so that you don't break the bank to get this experience. We are familiar with the term 'starving artist'.

Spaces are limited and acceptance is based on a number of factors such as the quickness in which you apply. The submission system is employed to balance out the area and create a better experience for everyone involved. Once we're out, we're out so make sure to get your table soon! Each space comes with a 6' x 30" Table and space to comfortably seat two people. Purchase of an Artist Alley space with EXP Con also allots you two Artist Alley passes which give you full access to the convention (excluding VIP Only events). Please fill out this form and email it to Info@EXPCon.org within the allotted 30 days from when you were approved.

We hope you have a great experience at the convention. Please don't hesitate to contact us with any questions you may have. We want to make sure you are put in the best situation to succeed.
